Explanatory Note

The Men's Wearhouse, Inc. files this Amendment No. 1 on Form 8-K/A to provide the estimated costs associated with the closure described herein under Item 2.05. The full text of the amended Item 2.05 is set forth below.

Item 2.05. Costs Associated with Exit or Disposal Activities.

On March 3, 2008, The Men's Wearhouse, Inc. (the "Company") announced that it will close its Montreal, Quebec-based manufacturing facility operated by Golden Brand Clothing (Canada) Ltd, an indirect wholly owned subsidiary of the Company. Despite previous reductions in production over the last three years, the strengthening Canadian dollar and the increasing pace of imports by the Company's competitors have caused the Company to reach the decision to close the manufacturing facility and to use other alternate production sources. The Company currently anticipates that the closure will occur on or around July 2008.

The Company expects the total pre-tax charge to be incurred in connection with the closure of the Montreal manufacturing facility to be approximately \$8.5 million, which consists primarily of (i) approximately \$4.6 million to be paid in severance, (ii) approximately \$1.2 million from the write-off of fixed assets, (iii) approximately \$1.4 million for lease termination payments and (iv) approximately \$1.3 million to finalize the clean-up and closing of the facility. The Company also estimates that approximately \$7.3 million of the charge will result in future cash expenditures.

A copy of the press release issued by the Company on March 3, 2008 announcing the planned closure of the Canadian facility is attached hereto as Exhibit 99.1.

**MEN'S WEARHOUSE TO CLOSE CANADIAN
MANUFACTURING FACILITY**

HOUSTON and MONTREAL — March 3, 2008 — The Men's Wearhouse (NYSE: MW) today announced that it is closing its manufacturing facility (dba: Golden Brand) based in Montreal, Quebec on or around July 2008.

"This was a very difficult decision for us to make and one that we did not take lightly," stated George Zimmer, Founder, Chairman and CEO of Men's Wearhouse. "We could no longer swim against the tide of the strengthening Canadian dollar and the increasing pace of imports by our competitors. In order to remain competitive the past 3 years, we have had to reduce our production in Canada by about 50%. We will assist our employees as best we can to transition to other employment."

Founded in 1973, Men's Wearhouse is one of North America's largest specialty retailers of men's apparel with 1,273 stores. The stores carry a full selection of designer, brand name and private label suits, sport coats, furnishings and accessories, including tuxedo rentals available in the Men's Wearhouse, Moores, and MW Tux stores. None of the Company's 116 Moores stores in Canada will be impacted by this closure.

This press release contains forward-looking information. The forward-looking statements are made pursuant to the Safe Harbor provisions of the Private Securities Litigation Reform Act of 1995. These forward-looking statements may be significantly impacted by various factors, including unfavorable local, regional and national economic developments, disruption in retail buying trends due to homeland security concerns, severe weather conditions, aggressive advertising or marketing activities of competitors, governmental actions and other factors described herein and in the Company's annual report on Form 10-K for the year ended February 3, 2007 and subsequent Forms 10-Q.
